The Quality of the items being sold has drastically decreased in the last 2 sales. We have had complaints from our customers and it has become a problem. If you have more than 10 items pulled due to poor quality and extra 5% will be taken from your sales and you may be asked to not return. Take the time please to ensure you are continuing the good reputation our sale has come to be known for.

Clothing & Nursery Items

- ✓ **ALL ITEMS MUST BE CLEAN AND FREE OF DAMAGE** (i.e. holes/stains etc.).
- ✓ **Only items sold in a children's department are acceptable for the sale.** Absolutely NO adult sized clothing (unless specifically for Maternity) will be sold and will be removed from floor.
- ✓ All tags MUST be securely fastened to the upper right area of clothing, with the hanger looking like a question mark. Fasten tags using a tagging gun or safety pins only, no straight pins. If a tag falls off, we are not responsible and that item cannot be sold. We

will have a box in the Vendor room to put these items in. You are more than welcome to re-tag and put back on the floor.

- ✓ Due to sanitary reasons, undergarments (underwear and bras) will not be accepted into the sale.
- ✓ No new “handmade” merchandise to sell. (ex: Hair bows, hats, soother clips etc.)

Games, Toys, & Big Items

- ✓ ALL battery operated items MUST be in working order. Please place new batteries in items as most customers want to ensure it works.
- ✓ Please ensure all pieces to puzzles or games be accounted for. Any broken toys, games, and/or big items will be removed from floor and will not be sold. **Please remember, children will be disappointed if you are selling an incomplete or broken item.**

✓ Please ensure that all boxes are clearly labeled, failure to do so will result in that box not being put on the sale floor. They must say Boy/Girl and what sizes.

- ✓ Please use sheets of paper to separate your sizes in your bin of clothing if there is more than one size in a box. Please place largest size in the bottom of bin, smallest at the top.

Percentages for Sale:

The All4Kids Sale is brought to you by P.O.M.B.A. The percentage that we keep goes towards the cost of the sale and then to the local Windsor- Essex P.O.M.B.A. With the increase of Inflation and cost to run the event, we have changed our percentages to sell in the sale. Please take note.

Volunteer 2 shifts: 15%

Volunteer 1 shift: 30%

Don't work Sale: 50%

If you bring family members to help, this does not lower your percentage; however it does make your job easier, especially on the Saturday. ☺ As well, we welcome all student volunteers; you will receive hours towards your required Volunteer hours for school. Please bring your form from your school to be signed after your shift.

Thank you for your cooperation if you have any questions please feel free to ask your peers on the All4kidsVendor page.

Happy Tagging,
